I, for one, am ready.

Congrats on the 1 year anniversary, Dawson! I am looking forward to reading more of your quality work in the future. Good idea with listing all your posts too. :)

Thanks for all your comments, both here and in previous blogs, and in future ones as well! My goal is to provide a one stop source of rebuttals to presuppositional and other apologetic arguments or pseudo-arguments, as the case may be. I have so much more material in the works, all I need is time to structure and edit it, and then roll it out. So stay tuned!

Regards,
Dawson

Dawson,

You need to join debunking xianity.

I'll ask John Loftus, if you're interested?

Regards,
Daniel
